WILLIAM WARNER BISHOP
LIBRARIAN

October 11, 1922.

My dear Sir:

Last summer you sent us a list of books for sale by the American Numismatic Society. I fear they have all been disposed of before this date, but we are interested, if possible, to procure a copy of Giovanni Dattari, Alexandrini monete imperiali Greche. 2 vols. in 1. Folio. Cairo, 1901. This you offer at a price of $20. If the copy has not been sold, we should be glad to buy it from you at the price indicated. Kindly let me know whether you still have it and if you do, I will send you a formal order and vouchers for signature.

Faithfully yours,

Wm. W. Bishop

Librarian.
